

Richmond Police Department
presents
Places of Worship Safety & Awareness
Forum

You are cordially invited to attend our next Places of Worship Safety & Awareness Forum

Places of worship have a unique challenge when it comes to crime prevention, security, and safety. They want to be open and welcoming to the community outside while also protecting the people and property inside. From the smallest to the largest congregation, we all need to have the skills and awareness to best serve our members, our communities and our God in the safest way possible.

With some awareness and thoughtful planning it is possible to be both hospitable and careful.

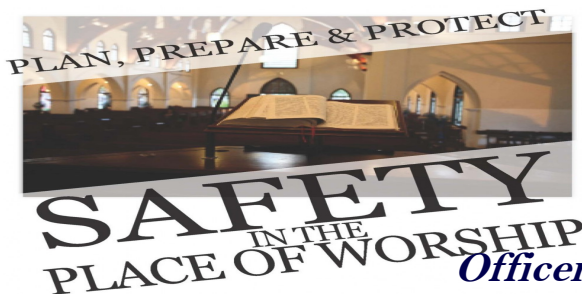

Saturday, October 1, 2022 12:00 PM.–3:00 PM.

The Glorious Church of God in Christ
4806 Old Midlothian Turnpike Richmond, VA 23235

Registration is available online at
