Thank you for your continued support of our ministry centers and their work in the community!

Items can be delivered directly to the centers, especially Back to School and Christmas Wish items. If you would like to bring them to the main office, you are welcome to do so Monday – Thursday. ***All Gift Cards, stamps or monetary donations please bring or mail to the main office at 2828 Emerywood Parkway Richmond, VA 23294.*** Please call to make sure someone will be in the office to collect your items at 804-329-1701. Please be sure to check with the center directors about the items needed and/or if you have any questions about your assignment. Call ahead to give them time to answer you before your assigned date.

Back to School and Christmas Wish- these events are organized directly with the centers ahead of time roughly 2 months before each event. Contact them to alert them of your interest in helping to help them prepare as best as possible. Please also read your copy of the Transformed. There are great needs, so save all year for your gifts to the Christmas Wish, get your SS classes involved (even children's classes can get their parents to help them shop) and make it special for the children in our communities.

The emergency food items for SRBC and snack bags for OHBC are great activities for VBS in the summer as well!! These are so vital to our centers as the needs in our community have increased. Thank you for your additional support as these supplies help prepare the centers for when these are needed most.
