

River City Faith Network Announces Its Candidate for Executive Director Missions Strategist

The Executive Search Committee of River City Faith Network joyfully announces that God has prepared the Reverend Dr. Maria E. Lynn to serve as RCFN's next executive leader. The Search Committee followed a process that identified what RCFN needs in its next leader and invited applicants. As the members narrowed their search, Maria surfaced as a promising candidate. The Committee presented Maria Lynn to RCFN's Board of Directors who wholeheartedly endorsed her as RCFN's next executive leader. The Search Committee will move that messengers from RCFN's member bodies vote to call the Reverend Dr. Maria Lynn at RCFN's Annual Meeting on October 16.

Many in River City Faith Network have known Maria Lynn from her work with the WMU of Virginia. She served as Director of Missions Involvement from 2008-2015.

Maria served as a school teacher before she sensed God's call to the ministry of Christian education. She served on the staff of Hatcher Memorial Baptist Church, a member of River City Faith Network.

Along her faith journey Maria has served in several interim roles including serving as an interim pastor and as an interim executive director. She plays a significant role in support of the ministry of Tipi Wakan on the Standing Rock Indian Reservation in South Dakota.

Maria and her husband Randy are active members of Bon Air Baptist Church where Randy serves as Media Pastor.
