

## Day 1. The Network

The past two years have seen tremendous change for River City Faith Network and its churches. We have also seen tremendous opportunity. Thank God we serve together, ministering alongside each other, encouraging and supporting each other!

Challenges one person or one church faces alone may seem overwhelming. RCFN is the same. Alone, the smallest obstacles may seem unsurmountable. With God's help we can work together and overcome great obstacles, even a pandemic. COVID did not stop the work God has assigned us. Through innovation and the commitment to our community we continue to reach out and touch others in the Name of Jesus. You, your prayers, and your gifts help make that possible.

This year the RCFN Missions Offering has several ministry goals. The goals will help meet needs of children, their families, homeless persons, older adults, and households facing challenging times.

### Please pray...

- for RCFN's churches and their leaders.
- for the volunteers and staff who serve in its ministries.
- for the all the people God sends us to serve

### Day 6...Please pray...

- God will give the Board, Support Teams, and staff members the heart and wisdom to guide our work and steward resources
- thank God for those who serve and for the new leaders God will call to lead RCFN in time to come

## Day 7. Executive Search

Godly servants have led RCFN. Now RCFN seeks the person God will send to serve as RCFN's Executive Director and Mission Strategist, one who will lead our staff, work with our churches and volunteers, and call us to even greater ministry.

### Please pray...

- God will call a faithful, effective leader for RCFN and its work
- for the members of the Search Committee as they work together to discern the servant God will send

## Day 2. Camp Alkulana

What is normal? This year camp will return to “normal” operations. Camp will look and feel much like it did before COVID.

Trying to have camp in a pandemic made us concentrate and connect with our campers in new ways through AlkulanaRVA and our Alkulana Peer Program. Now our campers have opportunities to share at summer camp sessions and back home too. The lessons and gifts of friendship, faith and the Alkulana family continue through the year.

We have expanded access to camp, inviting any family blessed through the Christmas Store ministry of the RCFN community centers this past year. We hope this year isn't just normal, but our best one yet!

### Please pray...

- the children of Richmond find their way to us
- our campers and staff have a safe and enjoyable summer
- God will bless our counselors and staff as they give themselves for this ministry
- AlkulanaRVA and our Peer Program connect with children, youth, and their families and keep growing

## Day 3. Church Hill Christian Wellness Center

“The Well” plans to restart its G.E.D. ministry, working with the Adult Learning Center. What makes this ministry different from other G.E.D. programs? We adjust the pace to accommodate a variety of learning styles. Our support system offers a more structured environment and more one-on-one assistance to students who need that help. Your gifts also help us reduce the cost of the classes for students in financial need.

### Please pray...

- God will call a G.E.D. facilitator to assist with this ministry
- we can help participants who want to complete the process
- The Well may identify more ways to help people in the Name of Jesus

## Day 4. Oregon Hill Baptist Center

We dream of a new Hair Cutting Ministry! We want to find volunteers and businesses with those skills (or people who can help us find people with those skills), people God might lead to begin and continue this ministry.

If you feel better when you get a haircut, imagine the confidence a new haircut or shave might give one preparing for a job interview or applying for housing.

### Please pray...

- for the Oregon Hill Center and the community it serves
- for our volunteers and churches who help with our clothing closet, laundry ministry, and food ministry
- God will send the people needed so the haircutting ministry can help those we serve

## Day 5. South Richmond Baptist Center

The SRBC Satellite has great potential for another ministry. When the civic club gave RCFN the Satellite building, the gift included a second building. The 60' x 25' annex was designed for open-air activities. The space is covered and enclosed but not weatherized. For now, it serves the Satellite ministry's storage needs.

Surely God has other plans for this space. As the Holy Spirit leads, and with the prayers and gifts of RCFN donors, we can build up the walls, insulate, and create a resource to help those in need find home furnishings. When someone calls to offer home furnishings or needs them, we want to say, “We can help you.”

### Please pray...

- thank God for the present and future volunteers who help make the SRBC and Satellite ministry possible
- for our neighbors, the communities, and churches who connect through our ministry
- the SRBC Annex will become a resource that benefits all of our ministry communities and help those in need

## Day 6. RCFN Leaders

Pray our directors, support teams, and staff will each know their work and work together to help RCFN do what God sends us to do as we serve across metropolitan Richmond. Governing, encouraging, helping make ministry happen, these people answer God's call to help RCFN, its churches, and its missionaries and support staff do more together than we could do alone.
