**PRAYER REQUESTS**

- ❖ That we would be effective in our ministries to the community as we serve God and humanity.
- ❖ That God will bless our efforts to introduce our community to the love of our Savior Jesus Christ. That lives will be restored and blessed as we minister in His name and love.
- ❖ That God will bless our plans for a new building so we can have a better outreach to our community. That He will provide the needed financing and remove the doubts in some member's minds so they will catch our vision.
- ❖ For the healing of bodies of those in our community and church. That they will be delivered from emotional, spiritual and physical suffering brought on by Satan's influences in our lives and world today.
- ❖ We ask for grace and strength as we strive to stay daily connected to God through prayer. God has been so good to us, we just Praise Him for His continual blessings!
