PRAYER REQUESTS

It goes without saying that we join churches all over Richmond in praying for God's Healing Power over this Global Pandemic!

We pray for our city, our mayor, our state, and our governor as they make critical decisions daily to lower the curve in the spread of this dreadful disease.

For First Baptist Church:

- Pray as we reach out to our membership and find ways to encourage them and meet their needs, especially those who are most vulnerable to this disease. Many feel isolated and lonely.
- Pray for our Compassion Ministry as daily they attend to the needs of food, shelter, and clothing, among our most vulnerable in our city.
- Pray for our Communication Team who is working around the clock to keep us connected and providing ways to connect our worship to those in our congregation and our city.
- Pray for our Pastor and Staff as this "new norm" of doing ministry from a distance is most challenging.
- Pray that all would be daily reminded of the promise of Psalm 46: "God is our refuge and Strength, a very present help in times of trouble"
